

Internal memo

To all staff. Following last week's fire drill, facilities have asked us to remind everyone that the east stairwell must be kept clear at all times. Boxes left on the landing during the drill delayed the evacuation of the third floor by almost two minutes.

Please also note that the car park will be resurfaced on the weekend of the 20th. Vehicles left overnight on Friday will be towed at the owner's expense.

Finally, congratulations to the analytics team, who shipped the new reporting dashboard ahead of schedule.
